## Our Service Area

We provide access to health care services in rural communities throughout 20,000 square miles of northern Wisconsin. The services we provide in each community vary based on that specific community's need, the services currently available and how we can work with existing partners. We strive to actively remove barriers to care by providing quality, integrated services to as many individuals as possible.

## Prenatal Care Program

**NorthLakes**  
COMMUNITY CLINIC

## A Healthy Baby Begins with a Healthy Momma

At NorthLakes Community Clinic we believe every momma deserves access to health care. We offer a comprehensive prenatal care program to expecting parents. This program includes consultations with a family medical doctor with obstetrics who will work with you throughout your pregnancy, delivery and continue care post birth. Plus we offer care coordination with our dental, behavioral health, chiropractic programs and other services, should you need them.

## Prenatal Care Services

### Medical

- Regular prenatal care visits with your doctor and care team.
- Personalized birth planning, so you have the experience you've always wanted.
- Your doctor is with you at your delivery.
- Your doctor recommends and connects you to additional services as needed.

### Dental

- Access to dental care during pregnancy.
- Strong oral health helps contribute to a healthy pregnancy.

### Behavioral Health

- Confidential access to a behavioral health therapist to discuss any mental health concerns during pregnancy.
- Ongoing access to a therapist after birth to assist with any postpartum depression or other concerns.

### Chiropractic

- Reduce the discomfort of pregnancy by establishing pelvic balance.
- Assist with aligning baby for delivery if needed.

# What our Patients are Saying

*"My provider was so attentive during my pregnancies and births. I have so many stories about how he went the extra mile just to make sure we were safe and healthy. And now when we come in for exams, I witness his pride for my girls - as if they were his own children."*

- Melissa D., Minong

*"My doctor is very open, honest and straight forward about her care and I feel very comfortable with her."*

- Savannah T., Ashland

*"NorthLakes has been a wonderful resource for our family. Our doctor has so much knowledge and has been so accommodating to my birth plan."*

- Tonia S., Iron River
