Our Service Area

We provide access to health care services in rural communities throughout 20,000 square miles of northern Wisconsin. The services we provide in each community vary based on that specific community's need, the services currently available and how we can work with existing partners. We strive to actively remove barriers to care by providing quality, integrated services to as many individuals as possible.

Substance Use Disorder Treatment

If you think your substance use is beginning to cause problems, please give us a call.

We can help with:

- Empowering you
- Teaching life skills
- Rebuilding connections
- Taking back control
- Relearning to take care of yourself
- Changing addictive thinking
- Long term sobriety skills
- Recognizing early recovery skills such as triggers and cravings

We provide assessments, outpatient individual, and group therapy. We work as a team to meet your needs.

A Substance Use Disorder is a treatable, chronic disease that can interfere with different areas of your life.

"The minute that you say to yourself, 'is this starting to effect my life', that is really a good time to reach out."

Brenda Goettl,

CSW, CSAC, ICS, LPCS

Behavioral Health and Substance Use Disorder Therapist

"I am inspired to help in the recovery journey with an ongoing hope of having seen the miracle happen. Every day is a new opportunity."

Randy Young, CSAC, NCGC II, NCAC II, IDP-AT
