

100 Who Care Sawyer County Registration & Commitment Form

Commitment: I am agreeing that the information I provide below is accurate and true. I am pledging to participate in 100 Who Care Sawyer County. I am making a personal commitment to contribute \$300 each calendar year (\$100 a meeting) to local 501c3 nonprofit organizations.

All organizations and programs must serve the Sawyer County region. I agree to donate each meeting to the nonprofit organization selected by the group's majority vote. If I am unable to attend a meeting, I will either send my check with another attending member to deliver on my behalf and proxy vote on the nominated presenters. If that is not possible, I will mail the check, as requested after the meeting, or pay online. The nonprofit is counting on my donation, so I will do that within 30 days of the meeting. Checks are made payable to the organization with the most votes.

I also acknowledge that photographs and videos taken at events and meetings may include my image and may be used in promotional materials for 100 Who Care Sawyer County.

I understand my personal contact information is strictly confidential and I understand it will not be shared or distributed to an outside third party without my expressed consent. At each meeting, I have the opportunity to opt out of the chosen organizations' mailing list.
