

The list below is 501(c) (3) organizations in Ashland and Bayfield Counties. Please check one under each category. We will tally your nominations and select the top three under each category to present at our next three meetings. We made every attempt to list all eligible nonprofits. Please see the NorthLakes Community Clinic website under the 100 Who Care tab for a list of nonprofit funding exclusions. If you feel we missed any nonprofit, please write it in for next year's inclusion. Please email both this nomination form and the commitment form to: mrekemeyer@nlccwi.org

Your Name:

Nonprofit to be included for next year:
