

# NorthLakes Community Clinic - Rice Lake

A Social Story about change!

Made By: NLCC Rice Lake Therapists

**NorthLakes**  
COMMUNITY CLINIC

I used to go to therapy at the Clubhouse. Now I go to NorthLakes Community Clinic - Rice Lake for therapies.

It is in the same building, but things are going to look a little different.

They have painted and re-decorated some rooms, but some still look the same.

But I will still get to see my same therapists when I go there.  
They are so excited to see me again!

We will get to do the same fun things with lots of the same toys. I am excited to start therapy again.
